

Welcome to Thérapie Fertility Clinic

TREATMENTS AND TESTING PRICE LIST

MAKING IT POSSIBLE

We believe that fertility treatment should be accessible for everyone, in fact it's one of the core values behind our clinic.

Because of this we have payment plans provided through our partner humm, that will allow you to avail of fertility treatment without paying for the whole package up front. We are proud to be the first fertility clinic in Ireland to provide this service.

At such an important and sometimes stressful time in your life, the convenience of having monthly payments is one less thing for you to worry about. Everyone deserves a chance to become a parent and we hope that our lower prices and affordable service will allow more people to realise their dream of growing their family.

All inclusive Fertility Treatments for one price

Our complete packages include everything you need with **no hidden costs**. We promise complete pricing transparency.

Payment Information

At Thérapie Fertility we are committed to using an entirely paperless and digital process. Reducing waste and ensuring convenience for you. You will be able to pay for your treatments via our Patient Portal using Global Payments. If you opt to use our finance partner and spread out the cost of your treatment, you will be able to set up an account with Humm** and pay them directly. No matter which way you choose to pay, we are confident that your experience will be hassle free.

**Please note if you choose to use Humm service to spread out the cost of your treatment, there will be a standard 10% surcharge on the total cost and a monthly fee billed directly from Humm as per their financing agreement. The maximum amount which can be financed is €6,000.
